Under-billing Amount	Margin	Imported Line Items
$2,464.87		**415**
Over-billing Amount	**$11,589.36**	Unreconciled Line Items
$453.25		**38**

REAL RESULTS:

Increased Margins
Capture service consumption variances to ensure you on-bill every cent to your clients.

Less Manual Reconciliation
Save precious time & avoid headaches of manual reconciliations of vendor invoices against client charges.

Total Control Over Decisions
Unlike other reconciliation tools, CloudOlive doesn't automatically force invoicing updates, so you can make informed, sensitive decisions about billing adjustments.

DIY Bespoke Logic
Handle and remember bundles, any exception rules, and special client arrangements.

PSA Billing Accuracy
Avoid invoicing errors and client billing disputes by ensuring the correct volumes and prices are on-charged.

Strategic Insights
Understand and leverage trends in vendor spend and client usage.
